DESCRIPTION

WOLF Mini780TT is a telescopic loader based on Mini780T. It can reach higher lifting height and longer dumping distance. It is a universal helper for construction, on the farm, for gardening or landscape work.

This wheel loader has a complete lighting system including work lights and a modern cabin with heating, blower and windscreen wiping and washing system at the front. The doors of the cabin are fixed when open. The spring-loaded seat, the adjustable steering wheel and the radio help make work more pleasant even on long working days.
